Assistive Technology Due Process Resources

The following are some of the most popular resources utilized in the AT field.

General Resources

Georgia Project for Assistive Technology
GPAT

GPAT addresses due process with the following website links:

- Definition of Assistive Technology
    - Devices
    - Services
- Assistive Technology Devices
- Legal Mandates for Assistive Technology
    - Definition
    - Provision
    - Consideration
    - Rules
- Considering Assistive Technology for Students with Disabilities
    - Quality Indicators for Consideration
    - Consideration Process Guide and Resource Guide
    - Assistive Technology Consideration Outcomes
    - Documenting Assistive Technology in the IEP
- Documenting Need for Assistive Technology
    - Present Levels of Academic Achievement and Functional Performance
    - Consideration of Special Factors
    - Annual Goals, Benchmarks, and Objectives
    - Listing of Special Education and Related Services
    - Supplementary Aids and Services
    - Instructional Accommodations
    - Classroom Testing Accommodations
    - Accommodations for Statewide and Districtwide Assessments
    - Instructional Modifications or Supports for School Personnel
    - Transition Services Plan
- Implementation and Integration

MN Regions 5 & 7 Assistive Technology Community of Practice (2016)

Barb Lhotka, Facilitator barblhotka@embarqmail.com

Maryland Learning Links
MATN

This website has a variety of resources for teams to refer to when discussing assistive technology and supporting students. Some of the links for Assistive Technology and due process include:

- AT Basics
  - The Law and AT
    - Federal Legislation
  - IEP Development
  - AT Accommodations
  - AT and UDL

Ohio Center for Autism and Low Incidence
OCALI

The assistive technology portion of this site addresses:

- AT Basics
- AT Assessment
- AT Tools
- AT Implementation
- AT Professional Development
- Assistive Technology Internet Modules

Quality Indicators for Assistive Technology
QIAT

Under resources, QIAT has documents to assist IEP teams and teams developing AT in their district:

- Guiding Document for Including Assistive Technology in the IEP
- Guiding Document for Implementation
- Guiding Document for Evaluation of Effectiveness
- Guiding Document for Professional Development
- Guiding Document for Consideration
- Guiding Document for Administrative Support
- Administrator Assistive Technology Planner
- Assistive Technology Assessment Process Planner
- Plan for Evaluation of Effectiveness of Assistive Technology Use
- Assistive Technology Consideration Guide

MN Regions 5 & 7 Assistive Technology Community of Practice (2016)

Barb Lhotka, Facilitator barblhotka@embarqmail.com

- AT in the IEP Planner
- AT in Professional Development Planner
- AT Implementation Planner

Student-Environment-Tasks-Tools = SETT
[SETT Framework](#)

A process outlining decision-making in the area of accommodations and assistive technology in a student's home, school, and community.

- SETT Documents
- Handouts for Download

Texas Assistive Technology Network
[TATN](#)

This website has some resources for due process and establishing an AT component to school district services. They are found in different parts of the website:

- Assistive Technology in the IEP (Home page)
- Considering Assistive Technology in the IEP Process (Training Module)
- Assistive Technology Evaluations: A Team Perspective (Training Module)

Training and Technical Assistance Center
[TTAC](#)

The assistive technology section of this project at the College of William and Mary and funded through the Virginia Department of Education features:

- Assistive Technology Resource Guide
- AT Consideration Guide
- Referral Form
- Decision Making Guide
- Framework for Assistive Technology

Wisconsin Assistive Technology Initiative
WATI

This website has in-depth resources on a variety of topics regarding due process:

- Assistive Technology Assessment
- Documenting Assistive Technology in the IEP
- WATI Checklist form
- Information on Environmental Tasks
- Referral for Assistive Technology Questions
- Referral Guide Form
- Trial Use Form
- How Do You Know It? How Do You Show It?
